Hero Certified Burgers is the burger-joint sibling of Lettieri. The place is slick, shiny and clean. An upscale burger joint *par excellence*. The burgers – 4oz (\$4.95), 6oz (\$5.65) or 8oz (\$6.25), and fries (\$2.25) are excellent. The toppings are original, intriguing and most importantly good – maple chipotle BBQ sauce, corn relish and more. All served with a healthy side of ‘tude, that comes free. The thing that makes Hero great is all the options available. Good quality without the constraints of one-size or even one-type fits-all food. You can get your burger bun filled with beef burger, grilled chicken breast or Soul Burger (their veggie choice). If you are in the mood for a quick snack, get your burger in the 4oz size (\$4.95). A bit hungrier? Go for 6oz (\$5.65). Looking to fill your tum? What the heck – move on up to the 8oz burger (\$6.25). **AEC**
